## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-3 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With respect to the independent claim 1, prior art fails to disclose or make obvious, in combination with other recited features of the claim limitations, a nipple sterilizer comprising: a body which has an opening at its lower surface for mounting over a nursing bottle serving as a cap covering the nipple, wherein the nipple is sterilized only if the switch is depressed at the time the nipple is covered by the sterilizer body.

With respect to the independent claim 3, prior art fails to disclose or make obvious, combination with other recited features of the claim limitations, a nipple sterilizer comprising: a body which is elastically supported by a spring which is positioned inside the sterilizer body, wherein one or more projections are protruded out of one end of the nob, and the projections of the nob are blocked by the support member in order that the nob may not be pressed depressing the switch.

The dependent claim 2 is allowable by virtue of its dependence upon the independent claim 1.

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. K.S. Seon (2006/0165571 A1), L.B. Meyerson (2,088,658), H.J. Searer (2,546,681), and D.C. Futrell (2,316,145) disclose a nipple sterilizer for a nursing bottle, but lack the

intricacies of the applicant's invention. T.C. Le Vay (5,166,528) discloses a microwave activated ultraviolet baby bottle sterilizer.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nikita Wells whose telephone number is (571) 272-2484. The examiner can normally be reached on 8:30 AM - 5:00 PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert Kim can be reached on (571) 272-2293. The central fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
